

Dear Parents,

Today's teens live in a complex, demanding world of unprecedented challenge and opportunity. Bombarded by the mixed messages of the culture surrounding them, Christian teens desperately need a firm footing on which to stake their lives and futures. Dare 2 Share's **Blaze** Evangelism Conference Tour is designed to provide just that. This powerful weekend event will help teens cultivate the kind of deep, immovable faith in Jesus that will last them a lifetime.

Drawing from Isaiah 6:1-8, the **Blaze** Tour will propel your teenager into a genuine encounter with God through intense drama, God-focused music, engaging Biblical teaching and hands-on training. Your teen will have an Isaiah-type experience they will never forget.

Here's how the Dare 2 Share (D2S) weekend will specifically impact your student:

- ✓ Teens will catch a glimpse of God's Holiness and Justice and be set ablaze to worship God in Spirit and in Truth.
- ✓ Students will experience God's Love and Mercy and be unleashed to reach their generation with the message of the gospel. They will be motivated and equipped to share their faith with their friends as well as learn how to strike a balance between relational and relentless evangelism.
- ✓ Teens will learn how to battle the accuser's lies and be challenged to live in the power of God's transforming Grace and Truth.

Also, there is a special youth leader breakout session, which is designed to help youth leaders like me learn how to mobilize teens to reach their generation for Christ. D2S' evangelism principles and strategies are built upon 18 years of experience working with youth ministries across the nation.

D2S is committed to providing youth leaders and students with resources to help them in their walk with Christ and in their efforts to share Christ with others. Check out the D2S website at dare2share.org. You will find tons of free, culturally relevant resources there, as well as a variety of resources available for purchase to help deepen your teen's walk with God and help them reach their friends for Christ.

As our youth group prepares for this challenging conference, I am asking you to pray for us! Pray for the students to be prepared to take the message they will receive and use it to transform their lives through Christ. Pray for the impact on their communities! Pray we, as a ministry, will be used mightily in advancing His kingdom here in our city and beyond. Below are the details for the weekend.
